SCENTED PLANTING

LOW LEVEL BALANCE

New bench and bin with good access for all

SWING
Remove existing swing frame and replace with basket swing which can be used by people of all ages and abilities.

BOUND RUBBER MULCH
Surface to provide for impact abosrbtion around Multiplay and Swings; provide dry access from gate around the play equipment; colours to delineate the Merdian Line

Existing wetpour overlaid with bound rubber mulch

MULTIPLAY UNIT with interconnected towers straddling the Merdian Line. Should offer a variety of ways to climb up with a stainless steel slide down. One tower should be at least 1.8m high with a flag on top which blows in the wind.

LOW LEVEL BALANCE

ANIMAL SCULPTURES
To discover amongst the planting
