Horsted Keynes Parish Council
C/O David Colville

Dear David,

Horsted Keynes Neighbourhood Plan

I am writing further to the teleconference held with the appointed Examiner, Mr A Ashcroft. A note of this teleconference is attached to this letter.

Mr Ashcroft has advised Horsted Keynes Parish Council that, as submitted, the Plan does not meet the basic conditions required. He has therefore asked the Parish Council to assess whether it wishes the Examination to proceed, or whether it wishes to withdraw the Plan.

In light of the matters raised by Mr Ashcroft during the teleconference, as set out in the note, it is our advice that the Parish should withdraw the Plan from Examination. This will enable further work to be undertaken to address the matters raised.

We would be happy to meet with the Parish Council to discuss this further and support the Parish in undertaking the further work required.

I look forward to hearing from you as to how the Parish wishes to proceed.

Yours sincerely

Alice Henstock
